

The image shows four anthropomorphic pineapples in a workshop setting. They are gathered around a wooden table covered with blueprints and various tools like hammers, screwdrivers, and a saw. The pineapples have large, expressive eyes and are dressed in simple clothing. One pineapple on the left is holding a pencil and looking at the plans. The second pineapple from the left is holding a hammer and a screwdriver. The third pineapple is holding a pencil and looking towards the camera. The fourth pineapple on the right is holding a paintbrush. The background features shelves with various items and a window with a grid pattern. The overall scene is brightly lit and has a warm, friendly atmosphere.
